Miniature Line Voltage Cove Fixture

MODA MINI COVE GLOWDIM INTERIOR is an award winning, patented, miniature line voltage cove lighting system. MODA GLOWDIM TECHNOLOGY enabled fixtures when wired to a DMX512 Controller to transition at 100% from 2700K down to 1800K, 3000K down to 2200K, or 3500K down to 2200K. Generally called "Dim to Warm" this feature strongly resembles incandescent illumination and transforms restaurants, bars and any hospitality location creating moods and warm environments. GLOWDIM utilizes MODA's high standard for perfect and precise illumination, with custom firmware programmed onto our microprocessors.

GLOWDIM is much more than "Dim to Warm". Fixtures that are called Dim to Warm all behave differently. Some can dim and turn orange. Some do not even dim much. Others you can see the transition steps. The majority just do a color adjustment and can only dim as low as 10%. This creates a flash effect when they are turned on. GLOWDIM does exactly what the name says. The MODA Microprocessor makes thousands of calculations so that the fixture gradually reduces its CCT and decreases its intensity creating a smooth dim from incandescent illumination down to true low intensity candle light. It is this reason we called this technology MODA GLOWDIM TECHNOLOGY and probably why it won the prestigious Product Innovation Award (PIA) 2017 for components and Light Sources.

The Onboard Microprocessor, programmed by our MODA Software Division with Advanced Firmware, ensures MINI COVE delivers smooth, noiseless, flicker-free, and synchronized GLOWDIM dimming down to 0%. Link any combination of 1ft or 4ft fixtures and every fixture will dim to warm together, smoothly, synchronized from 100% to 0%. With no minimum run lengths required, just one 1ft fixture will dim seamlessly. Achieve long, single runs up to 240 feet. A MODA Micro Driver specific for MINI COVE, accepts 100-277V AC 50/60Hz.

With the ability to mix our own phosphors, we are able to make a revolutionary new standard for MODA offering a High Color Rendering Index of 96-98 with LEDs centered on the Planckian Locus for superior illumination. R1-R15 tested to TM30-15 with values in excess of 90, creating beautiful cove illumination. Single binning means every fixture will have the same CCT - something that MODA has been doing since 2006. A specialized curved polymer optical lens combined with a cleverly designed Light Chamber delivers a light bending, smooth 200 degree beam pattern perfect for cove installations with no color over angle, no striations, inter locking fields of light and no dark spots.

The fixture incorporates an integral, patented, toolless self-locking bracket which slides into any position and turns 170 degrees. Built-in male & female connectors with thumb latch connections for fast installation time. Lightweight aluminum construction for durability and excellent thermal characteristics. Quality American Made electronic components. Accessories include a Pathway DMX Splitter/Repeater for hassle-free installation. Available in 1ft and 4ft sections.

Tested by Intertek to UL1598 for use in USA & Canada. CE Approved. WEE. RoHS Compliant. TM-30-15 Tested. US Patent No. D787,112 and D783,890. Title 24, JA8-2019.

Product Innovation Award (PIA) 2017 for Components and Light Sources. Product Innovation Award (PIA) Winner 2016 for Best Luminaire. LFI Innovation Award 2017 Finalist for Dynamic Color, Theatrical, Cove, Strips and Tape. Lux Award Commended for Interior Product of the Year 2016. Darc Awards Finalist for Best Architectural Lighting Product - Interior Luminaires 2016. International Design Excellence Award for Innovative Product Design Finalist 2016.

Designed & Developed by MODA LIGHT in Las Vegas, USA.

Made in the USA

MODA MINI COVE MOUNTING TRACK

MOUNTING MINI COVE

Allows users to install Moda Mini Cove fixtures in a continuous linear position. Moda Mini Cove Mounting Tracks come packaged in 5 pieces of 4ft sections to create a continuous run of 20ft.

Made in the USA.

Options

Finish G - Gray

Length 4ft - 4ft Sections

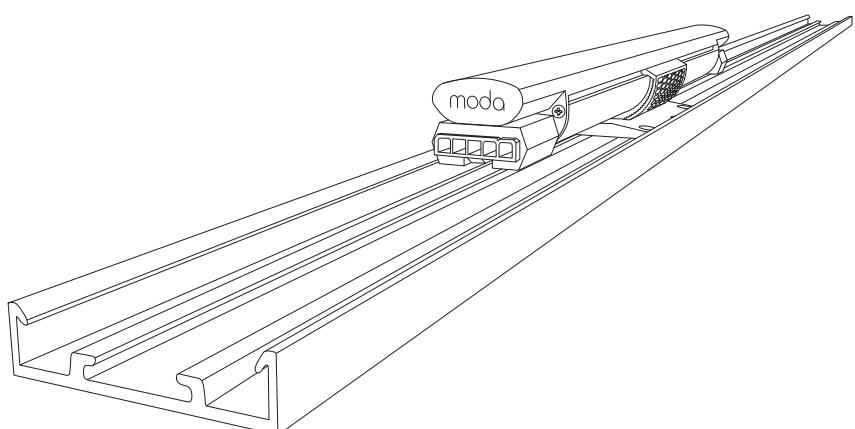

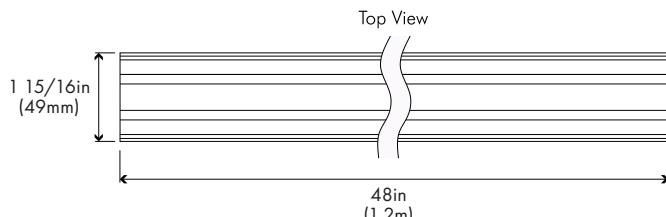

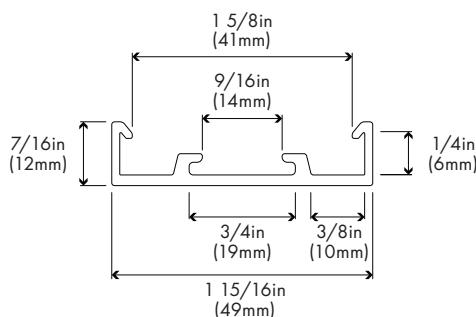

Quantity 5 Pieces (20ft)

Physical

Applications Cove, Accent

Construction ABS Plastic

ACCESSORIES: MOUNTING TRACK

MODA MINI COVE TRACK CONNECTOR

Joins two pieces of track together.

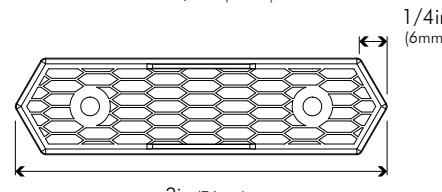

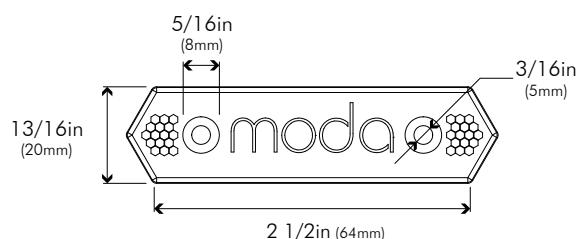

Accepts screw sizes

Drywall	#6	#8
---------	----	----

Self tapping	#6	#8
--------------	----	----

Concrete Anchor	3/16in
-----------------	--------

(By others)

MODA MINI COVE LOUVERS ASYMMETRIC

Provides light control and cutoff of glare for cove and wall grazing applications without causing significant light loss. Use four 1ft louver sections for a 4ft fixture.

Features

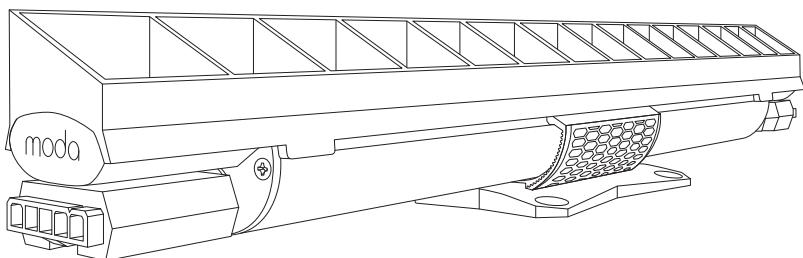

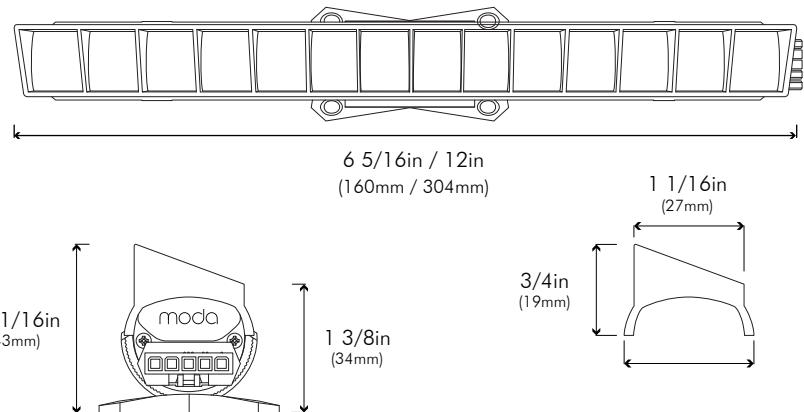

- Convenient 1ft sections
- Snap on assembly
- Toolless installation
- UV protected

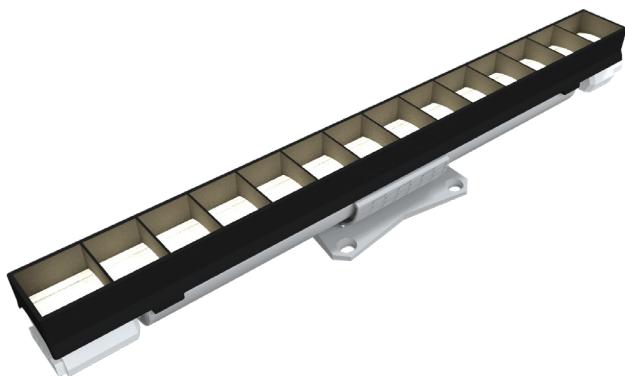

Options

Finish	B - BLACK W - WHITE
Length	1FT

Physical

Applications	Cove, Accent, Graze
Construction	ABS

MODA MINI COVE LOUVERS SYMMETRIC

Provides light control and cutoff of glare for cove and wall grazing applications without causing significant light loss. Use four 1ft louvers for a 4ft fixture.

Features

- Convenient 1ft sections
- Snap on assembly
- Toolless installation
- UV protected

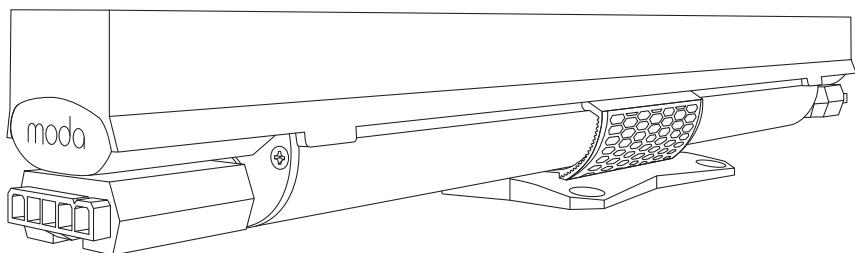

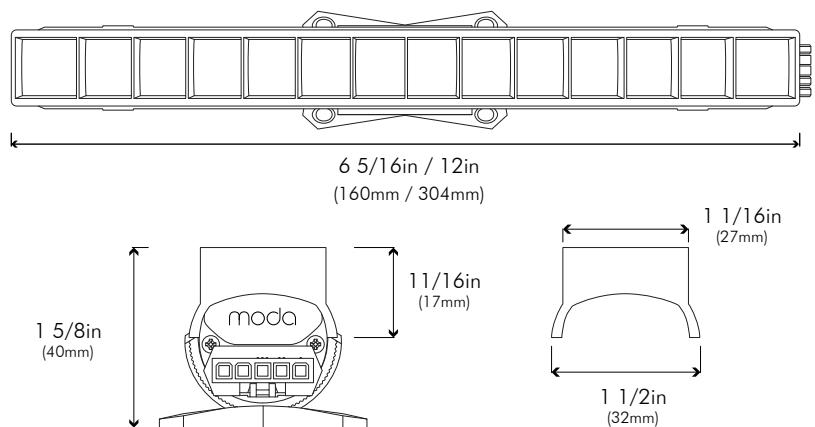

Options

Finish	B - BLACK W - WHITE
Length	1FT

Physical

Applications	Cove, Accent, Graze
Construction	ABS

ACCESSORIES: LOUVERS SYMMETRIC

MODA MINI COVE LOUVERS HONEYCOMB

Provides light control and cutoff of glare for cove and wall grazing applications without causing significant light loss. Use four 1ft louvers for a 4ft fixture.

Features

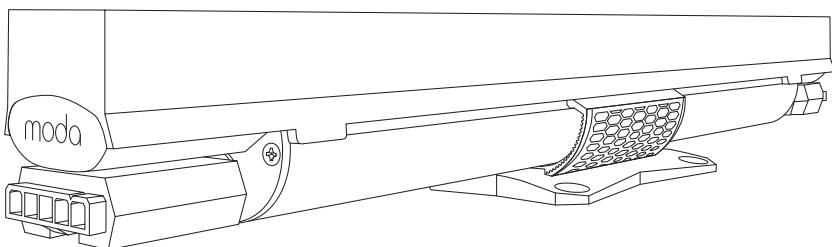

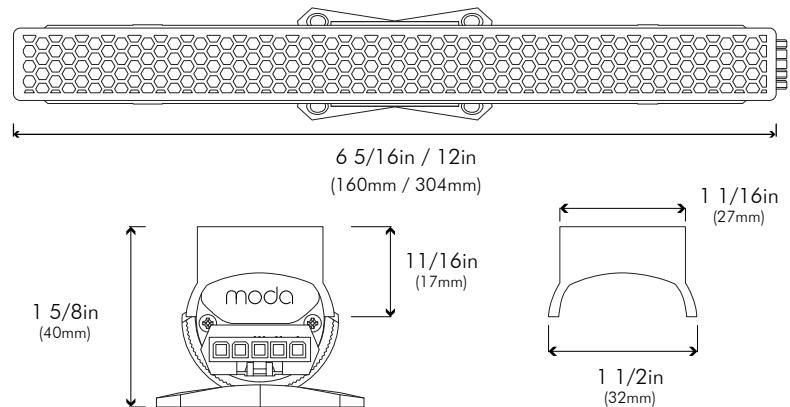

- Convenient 1ft sections
- Snap on assembly
- Toolless installation
- UV protected

Options

Finish	B - BLACK W - WHITE
Length	1FT

Physical

Applications	Cove, Accent, Graze
Construction	ABS

MODA MINI COVE LOUVERS BLADE

Add visual interest to any space by creating a narrow line of light, which can be seen in semi direct view or reflected off the wall or ceiling when integrated into a cove or niche. Use four 1ft louvers for a 4ft fixture.

Features

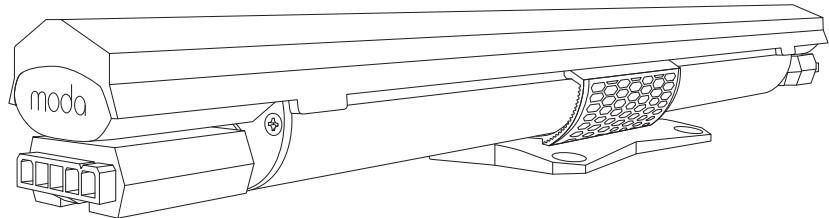

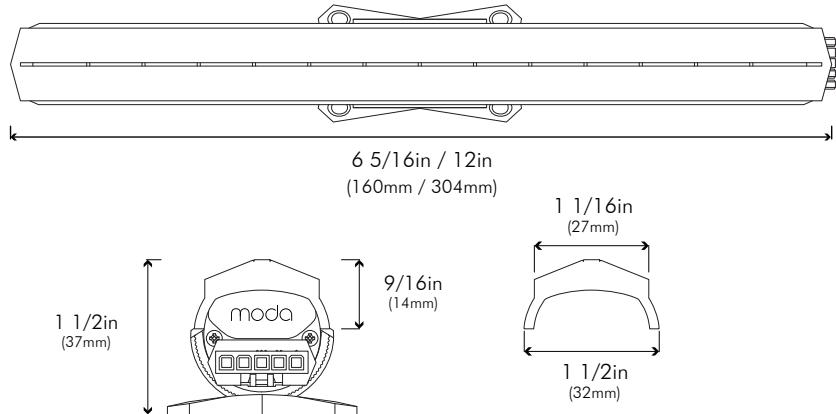

- Convenient 1ft sections
- Snap on assembly
- Toolless installation
- UV protected

Options

Finish	B - BLACK
Length	1FT

Physical

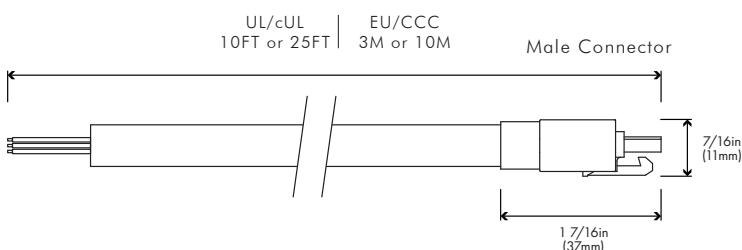

Applications	Cove, Accent, Graze
Construction	ABS

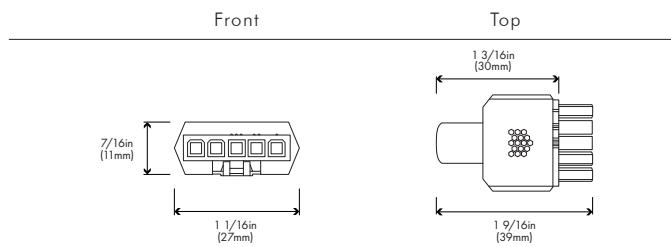

DMX LEADER CABLES
